2016 40 Hour Basic LP Gas School Schedule

Each session will begin on Monday at 10 am and will last for 1 week ending on Friday of that week. The 40 hour school is required for all new and transfer employees.

The 40 hour school will be held at the Work Course Development Center, 3301 E. Roosevelt, Little Rock, Arkansas. Take the Airport exit off I-440 and turn toward the airport on Bankhead Drive. Turn left at the light onto Roosevelt and travel approximately ½ miles, the building will be on your left.

All students must register with the Arkansas LP Gas Board in advance. Classes are limited to 25 students each and are registered on a first come basis. We will notify you only if the class you are requesting is full. You can do all this with one phone call to the Arkansas LP Gas Board at 501-683-4100 or by fax to the Board at 501-683-4110.

Keep in mind that this schedule can change due to number of students participating with some schools being cancelled and some being consolidated.
